

ARE YOU HAPPY WITH HOW ROCKY VIEW IS BEING GOVERNED?

Do you think Council decisions over the past four years have addressed your concerns and reflected your priorities?

If not, you are not alone.

**Despite overwhelming opposition from residents,
the following decisions were supported
by the council majority -
McKylor, Schule, Gautreau, Boehlke, and Henn**

- Ramming through a new Municipal Development Plan, the Elbow View Area Structure Plan, and two new Springbank Area Structure Plans
- Approving high density residential and commercial development in both Springbank and Bears paw
- Approving a gravel pit beside Big Hill Springs Provincial Park contrary to requests from Alberta Parks officials
- Suspending their own rules to push through a commercial/light industrial development in the Cambridge Park residential community in Conrich

Rocky View's election is October 18th
